

XM Radio is a pay for use service. As such, I resent any effort to censor its programming content. I adore the selection XM Radio offers and its freedom of expression. So keep out of their programming! This is America - let freedom ring!

I respectfully urge the FCC to reject the NAB's petition 04-160 and to support XM's ability to provide the kind of programming that I demand and deserve.

Sincerely,  
J. Sowder
